

Please use these guidelines when filling in the application form:

Work History

Please describe your roles and responsibilities.

Questions

Take time to consider how you answer the following questions. We use the quality of your answers, along with your CV, to make a decision whether to invite you to the next stage of selection.

Why have you decided to apply to GlaxoSmithKline?

Describe what appeals to you about a career with us, and explain why you have chosen to apply to this particular business area.

Apart from your studies, what do you consider to be your key achievements to date and why?

Tell us about any significant challenges, successes or initiatives, and how these came about.

What are your career aspirations once you have completed your studies?

Tell us what sort of roles you aspire to in the short and longer term, and what you hope to achieve in your career.
