

Pan European patient group funding

European Patients' Forum (EPF)

The vision of EPF is to ensure that the European patient voice is at the centre of healthcare. EPF works as a catalyst for advocating a strong European patient voice, enabling patient groups to join forces and develop alliances. They work with like-minded stakeholders and with the EU institutions.

We have supported this organisation since 2005.

During 2018:

- We gave an unrestricted grant of €30,000 to help support EPF's day to day activities.
- We gave an unrestricted top-up grant of €40,000 to help support EPF's day to day activities.
