

Portugal patient group funding

Respira - Associação Portuguesa de Pessoas com DPOC e outras Doenças Respiratórias Crónica

RESPIRA – (Associação Portuguesa de Pessoas com DPOC e outras Doenças Respiratórias Crónica) is the Portuguese Association of People with COPD and Other Chronic Respiratory Diseases. Its mission is to contribute to the prevention and treatment of respiratory diseases and to be a pillar in the defence of the interests and rights of people with COPD and other chronic respiratory diseases.

We have supported this group since 2007.

During 2018:

- GSK provided a project funding of € 5.000, to support the implementation of a "No Tobacco Day" campaign.
- GSK provided a core global funding of € 3.000 to support this association in the implementation of their annual plan.

Our support represented 22% of their overall income.

APA – Associação Portuguesa de Asmáticos

APA is the only Asthma Patients Associations of Portugal. APA's primary objective is to help asthma patients and their families better understand the disease and strive to improve their quality of life. The activities developed are always based on strategic priorities and represent the overall interests of asthmatics patients.

During 2018:

- GSK provided a project funding of € 6.000, to support the implementation of a multimedia campaign (disease awareness) related to Severe Asthma.

Our support represented 11.6% of their overall income.
