Notes to Expected Timetable of Principal Events

- (1) The "for" votes include those giving the Chair discretion. In line with the notification issued to American Depositary Receipt (ADR) holders, GSK did not instruct its ADR Depository to vote any unvoted ADRs in respect of the General Meeting resolutions.
- (2) Votes "for" and "against" are expressed as a percentage of the total votes cast.
- (3) A vote withheld is not a vote in law and is not counted in the calculation of the proportion of votes "for" or "against" a resolution.
- (4) Unless otherwise indicated, all references to time in this timetable are to UK time.
- (5) The Depository will suspend the issuance and cancellation of GSK ADSs from Thursday 14 July 2022 until Monday 25 July 2022. This means that during this time, you will not be able to convert your GSK ADSs into GSK Shares, surrender your GSK ADSs and receive underlying GSK Shares, or deposit your GSK Shares and receive GSK ADSs. However, the closing of the issuance and cancellation books does not impact trading, and you may continue to trade your GSK ADSs during this period.
- (6) Subject to the timing of the Haleon Capital Reduction.
- (7) For CSN Shareholders who have a Shareview Portfolio account, and have not elected for paper statements to be issued to them, the CSN statements will only be made available electronically via their account.
