unconditionally and irrevocably guaranteed in the case of Notes issued by
GlaxoSmithKline Capital plc by

GlaxoSmithKline plc
(incorporated in England and Wales with limited liability under registered number 3888792)

On 4th December, 2001 GlaxoSmithKline Capital Inc. ("GSK Capital Inc.") and GlaxoSmithKline Capital plc ("GSK Capital plc") established a Euro Medium Term Note Programme (the "Programme"). On 16th May, 2003 GlaxoSmithKline Capital Kabushikikaisha ("GSK Capital K.K.") was added as an issuer under the Programme. On 13th May, 2004 GlaxoSmithKline plc ("GSK plc") was added as an issuer under the Programme. GSK Capital K.K. ceased to be an issuer under the Programme on 9th March, 2007 and GSK Capital Inc. ceased to be an issuer under the Programme on 5th August, 2013. This Prospectus supersedes all previous prospectuses relating to the Programme. Any Notes (as defined below) issued under the Programme on or after the date of this Prospectus are subject to the provisions described herein. This does not affect any Notes already in issue. Pursuant to the Programme, GSK plc and GSK Capital plc (each an "Issuer" and together, the "Issuers") may from time to time issue note (the "Notes") denominated in any currency agreed between the relevant Issuer and the relevant Dealer (as defined below).

The payment of all amounts owing in respect of Notes issued by GSK Capital plc ("Guaranteed Notes") will be unconditionally and irrevocably guaranteed by GSK plc (the "Guarantor") under the terms of a trust deed dated 4th December, 2001 (as modified and/or supplemented and/or restated from time to time, the "Trust Deed") (such guarantee, the "Guarantee").

The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed £15,000,000,000,000 (or its equivalent in other currencies calculated as described herein), subject to increase at any time.

Notes may be issued on a continuing basis to one or more of the Dealers specified on the penultimate page and the back cover of this Prospectus and any additional Dealer appointed under the Programme from time to time by the relevant Issuer (each a "Dealer" and together the "Dealers"), which appointment may be for a specific issue or on an ongoing basis. References in this Prospectus to the "relevant Dealer" shall, in the case of an issue of Notes being (or intended to be) purchased by more than one Dealer, be to all Dealers agreeing to purchase such Notes.

In relation to each separate issue of Notes, the final offer price and amount of such Notes will be determined by the relevant Issuer and the relevant Dealers in accordance with prevailing market conditions at the time of the issue of the Notes and will be set out in the applicable Final Terms (as defined below).

Application will be made to the Financial Conduct Authority in its capacity as competent authority (the "UK Listing Authority") under the Financial Services and Markets Act 2000, as amended (the "FSMA") for Notes issued under the Programme during the period of 12 months from the date of this Prospectus to be admitted to the official list of the UK Listing Authority (the "Official List") and application will be made to the London Stock Exchange plc (the "London Stock Exchange") for such Notes to be permitted to be admitted to trading on the London Stock Exchange’s Regulated Market. References in this Prospectus to Notes being "listed" (and all related references) shall mean that such Notes have been admitted to trading on the London Stock Exchange’s Regulated Market and have been admitted to the Official List. The London Stock Exchange’s Regulated Market is a regulated market for the purposes of Directive 2004/39/EC (the "Markets in Financial Instruments Directive"). All Notes to be issued under the Programme are intended to be listed.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and certain other information which is applicable to each Tranche (as defined under "Terms and Conditions of the Notes") of Notes will be set out in (i) final terms (the "Final Terms") which will be delivered to the UK Listing Authority and the London Stock Exchange on or before the date of issue of the Notes of such Tranche and will be so delivered when otherwise required or (ii) in a separate prospectus specific to such Tranche of Notes (the "Drawdown Prospectus"). In the case of a Tranche of Notes which is subject to a Drawdown Prospectus, each reference in this Prospectus to information being specified or identified in the relevant Final Terms shall be read and construed as reference to such information being specified or identified in the relevant Drawdown Prospectus unless the context requires otherwise.

The relevant Issuer, the Guarantor (in the case of Guaranteed Notes) and the Trustee (as defined herein) may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event (in the case of Notes admitted to the Official List only) a further prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

The Guarantor has a senior unsecured debt rating of A2 by Moody’s Deutschland GmbH ("Moody’s") and A+ by Standard & Poor’s Credit Market Services Europe Limited, a division of The McGraw-Hill Companies ("Standard & Poor’s"). Each of Moody’s and Standard & Poor’s is established in the European Union (the “EU”) and is registered under Regulation (EC) No. 1060/2009 (as amended) (the "CRA Regulation"). Tranches of Notes issued under the Programme may be rated or unrated. Where a Tranche of Notes is rated, the applicable rating(s) will be specified in the relevant Final Terms and such ratings will not necessarily be the same as the ratings assigned to the Programme. The Final Terms will disclose whether or not each credit rating applied for in relation to a relevant Tranche of Notes will be issued by a credit rating agency established in the EU and registered under the CRA Regulation. A security rating is not a recommendation to buy, or sell, or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning credit rating agency.

Factors which may affect the ability of the Issuers or the Guarantor to fulfil their obligations under the Programme and factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are set out on pages 11 to 21.

GENERAL DESCRIPTION OF THE PROGRAMME

Under the Programme, each Issuer may from time to time issue Notes denominated in any currency, subject as set out herein. An overview of the Programme and the Terms and Conditions of the Notes appears below. The applicable terms of any Notes will be agreed between the relevant Issuer and the relevant Dealer prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, attached to, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Final Terms attached to, or endorsed on, such Notes, as more fully described under “Form of the Notes”.

The Notes issued by one Issuer will not constitute direct obligations of the other Issuer.

This Prospectus and any supplement will only be valid for admitting Notes to the Official List and to trading on the London Stock Exchange’s Regulated Market, or on any other or further stock exchanges or markets in the European Economic Area agreed between the Issuer and any relevant Dealer in relation to a Series of Notes, during the period of 12 months from the date of this Prospectus in an aggregate nominal amount which, when added to the aggregate nominal amount then outstanding of all Notes previously or simultaneously issued under the Programme, does not exceed £15,000,000,000 or its equivalent in other currencies. For the purpose of calculating the Sterling equivalent of the aggregate nominal amount of Notes issued under the Programme from time to time:

(a) the Sterling equivalent of Notes denominated in another Specified Currency (as specified in the applicable Final Terms in relation to the relevant Notes and described under “Form of the Notes”) shall be determined, at the discretion of the relevant Issuer, either as of the date on which agreement is reached for the issue of such Notes or on the preceding day on which commercial banks and foreign exchange markets are open for business in London, in each case on the basis of the spot rate for the sale of the Sterling against the purchase of such Specified Currency in the London foreign exchange market quoted by any leading international bank selected by the relevant Issuer on the relevant day of calculation; and

(b) the Sterling equivalent of Zero Coupon Notes (as specified in the applicable Final Terms in relation to the relevant Notes and described under “Form of the Notes”) and other Notes issued at a discount or a premium shall be calculated in the manner specified above by reference to the net proceeds received by the relevant Issuer for the relevant issue.

RISK FACTORS

This section includes all known material or principal risks that may affect the ability of the Issuers and Guarantor to fulfil their obligations under Notes issued under the Programme. Most of these factors are contingencies which may or may not occur and neither the Issuers nor the Guarantor are in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which (although not exhaustive) could be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Prospective investors should note that the inability of the Issuers or the Guarantor to pay interest, principal or other amounts on or in connection with any Notes may occur for reasons which may not be considered significant by the Issuers and the Guarantor based on the information currently available to them, or which they may not currently be able to anticipate. Prospective investors should also read the detailed information set out elsewhere in this Prospectus and reach their own views prior to making any investment decision. Prospective investors should also consult their own financial and legal advisers about risks associated with an investment in any Notes issued under the Programme and the suitability of investing in such Notes in light of their particular circumstances.

Factors that may affect each Issuer’s ability to fulfil its obligations under Notes issued under the Programme

There are risks and uncertainties relevant to the Group’s business, financial condition and results of operations that may affect the Group’s performance and ability to achieve its objectives. The factors below are among those that the Group thinks could cause its actual results to differ materially from expected and historical results. There are other risks and uncertainties not currently known to the Group or which are deemed immaterial.

References in this section “Risk Factors” to “the Financial Statements” mean the financial statements in the Group’s Annual Report 2015.

Failure to appropriately collect, review, follow up, or report adverse events from all potential sources, and to act on any relevant findings in a timely manner.

The impact of this risk is potentially to compromise the Group’s ability to conduct robust safety signal detection and interpretation and to ensure that appropriate decisions are taken with respect to the risk/benefit profile of the Group’s products, including the completeness and accuracy of product labels and the pursuit of additional studies/analyses, as appropriate. This could lead to potential harm to patients, reputational damage, product liability claims or other litigation, governmental investigation, regulatory action such as fines, penalties or loss of product authorisation.

Pre-clinical and clinical trials are conducted during the development of investigational pharmaceutical, vaccine and consumer healthcare products to determine the safety and efficacy of the products for use by humans. Notwithstanding the efforts the Group makes to determine the safety of its products through appropriate pre-clinical and clinical trials, unanticipated side effects may become evident only when products are widely introduced into the marketplace. Questions may be raised not only by the Group’s ongoing safety surveillance and post-marketing studies but also by governmental agencies and third-parties that may analyse publicly available clinical trial results.

The Group is currently a defendant in a number of product liability lawsuits, including class actions, that involve significant claims for damages related to the Group’s products. Litigation, particularly in the United States, is inherently unpredictable. Class actions that seek to sweep together all persons who were prescribed the Group’s products increase the potential liability. Claims for pain and suffering and punitive damages are frequently asserted in product liability actions and, if allowed, can represent potentially open-ended exposure and thus, could materially and adversely affect the Group’s financial results.
Failure to appropriately secure and protect intellectual property rights.

Any failure to obtain or subsequent loss of patent protection, including reducing the availability or scope of patent rights or compulsory licensing (in which a government forces a manufacturer to license its patents for specific products to a competitor), could materially and adversely affect the Group’s financial results in those markets. Absence of adequate patent or data exclusivity protection could limit the opportunity to rely on such markets for future sales growth for the Group’s products, which could also materially and adversely affect its financial results.

As an innovative pharmaceutical, vaccine and consumer healthcare products company, the Group seeks to obtain appropriate intellectual property protection for its products. The Group’s ability to obtain and enforce patents and other proprietary rights with regard to its products is critical to the Group’s business strategy and success. Pharmaceutical and vaccine products are usually only protected from being copied by generic manufacturers during the period of exclusivity provided by an issued patent or related intellectual property rights such as “Regulatory Data Protection” or “Orphan Drug” status. Following expiration of certain intellectual property rights, a generic manufacturer may lawfully produce a generic version of the product.

The Group operates in markets where intellectual property laws and patent offices are still developing and where governments may be unwilling to grant or enforce intellectual property rights in a fashion similar to more developed regions such as the EU, Japan and the United States. Some developing countries have limited, or threatened to limit, effective patent protection for pharmaceutical products in order to facilitate early competition within their markets from generic manufacturers.

The Group faces competition from manufacturers of proprietary and generic pharmaceutical products in all of its major markets. Introduction of generic products, particularly in the United States where the Group has its highest turnover and margins, typically leads to a rapid and dramatic loss of sales and reduces the Group’s revenues and margins for its proprietary products.

The Group depends on certain key products for a significant portion of its sales. One such product is the Group’s respiratory pharmaceutical product Seretide/Advair which accounts for significant Group sales worldwide. The timing and impact of entry in the United States for a generic product containing the same combination of active substances as Seretide/Advair is uncertain. The United States patent for compositions containing the combination of active substances in Seretide/Advair expired during 2010 although the United States patent on a component of the Advair Diskus device continues until August 2016. Generic products containing the same combination of active substances as Seretide/Advair (in both metered dose inhalers and dry powder inhalers) have been launched by several manufacturers in a number of European markets. The timing and impact of entry in the United States and major markets in Europe for a ‘follow-on’ product to Seretide/Advair is uncertain.

Generic drug manufacturers have also exhibited a readiness to market generic versions of many of the Group’s most important products prior to the expiration of the Group’s patents. Their efforts may involve challenges to the validity or enforceability of a patent or assertions that their generic product does not infringe the Group’s patents. As a result, the Group is and may continue to be involved in legal proceedings involving patent challenges, which may materially and adversely affect the Group’s financial results. Moreover, in the United States, it has become increasingly common for patent infringement actions to prompt claims that anti-trust laws have been violated during the prosecution of the patent or during litigation involving the defence of that patent. Such claims by direct and indirect purchasers and other payers are typically filed as class actions. The relief sought may include treble damages and restitution claims. Similarly, anti-trust claims may be brought by government entities or private parties following settlement of patent litigation, alleging that such settlements are anti-competitive and in violation of anti-trust laws. A successful anti-trust claim by a private party or government entity could materially and adversely affect the Group’s financial results.

The expiration dates for patents for the Group’s major products which may affect the dates on which generic versions of the Group’s products may be introduced are set out on pages 228 to 229 of the Group’s Annual Report 2015 (which is incorporated by reference herein). Legal proceedings involving patent
challenges are set out in Note 45 to the financial statements set out in the Group’s Annual Report 2015, ‘Legal proceedings’.

**Failure to comply with current Good Manufacturing Practices (“cGMP”) or inadequate controls and governance of quality in the supply chain covering supplier standards, manufacturing and distribution of products.**

A failure to ensure product quality could have far reaching implications in terms of patient and consumer safety resulting in product launch delays, supply interruptions and product recalls which would have the potential to do damage to the Group’s reputation. Associated regulatory, legal, and financial consequences could materially and adversely affect the Group’s reputation and financial results.

Patients, consumers and healthcare professionals trust the quality of the Group’s products. A failure to ensure product quality is an enterprise risk which is applicable across all of the Group’s business activities. Product quality may be influenced by many factors including product and process understanding, consistency of manufacturing components, compliance with cGMP, accuracy of labelling, reliability of the external supply chain, and the embodiment of an overarching quality culture. The internal and external environment continues to evolve as new products, new markets and new legislation are introduced, with increasing scrutiny of supply continuity, a focus on improved distribution practice and the introduction of novel cell and gene based therapies. Review of inspections conducted across the industry by national regulatory authorities during 2015 highlighted an ongoing focus on data integrity, contamination prevention and the rigour of quality investigations including the robustness of decision making and the timely escalation of pertinent issues to regulatory authorities.

**Failure to comply with current tax law or incurring significant losses due to treasury activities; failure to report accurate financial information in compliance with accounting standards and applicable legislation; failure to maintain adequate governance and oversight over third-party relationships.**

Non-compliance with existing or new financial reporting and disclosure requirements, or changes to the recognition of income and expenses, could expose the Group to litigation and regulatory action and could materially and adversely affect the Group’s financial results. Changes in tax laws or in their application with respect to matters such as transfer pricing, foreign dividends, controlled companies, research and development (“R&D”) tax credits, taxation of intellectual property or a restriction in tax relief allowed on the interest on intra-group debt, could impact the Group’s effective tax rate. Significant losses may arise from inconsistent application of treasury policies, transactional or settlement errors, or counterparty defaults. Any changes in the substance or application of the governing tax laws, failure to comply with such tax laws or significant losses due to treasury activities could materially and adversely affect the Group’s financial results.

Failure to adequately manage third-party relationships could result in business interruption and exposure to risk ranging from sub-optimal contractual terms and conditions, to severe business sanctions and/or significant reputational damage. Any of these consequences could materially and adversely affect the Group’s business operations and financial results.

The Group is required by the laws of various jurisdictions to disclose publicly its financial results and events that could materially affect the financial results of the Group. Regulators routinely review the financial statements of listed companies for compliance with new, revised or existing accounting and regulatory requirements. The Group believes that it complies with the appropriate regulatory requirements concerning its financial statements and disclosure of material information including any transactions relating to business restructuring such as acquisitions and divestitures. However, should the Group be subject to an investigation into potential non-compliance with accounting and disclosure requirements, this may lead to restatements of previously reported results and significant penalties.

The Group’s Treasury group deals in high value transactions, mostly foreign exchange and cash management transactions, on a daily basis.
The Group’s effective tax rate reflects rates of tax in the jurisdictions in which the Group operates that are both higher and lower than the UK rate and take into account regimes that encourage innovation and investment in science by providing tax incentives which, if changed, could affect the Group’s tax rate.

The tax charge included in the Group’s financial statements is the Group’s best estimate of tax liability pending audits by tax authorities. The worldwide nature of the Group’s operations and cross-border supply routes can be complex and can lead to questions on tax audit.

There continues to be a significant international focus on tax reform, including the Organisation for Economic Co-operation and Development’s base erosion and profit shifting (“BEPS”) project and European Commission initiatives such as the ‘Proposal for a Council Directive laying down rules against tax avoidance practices that directly affect the functioning of the internal market’ (also known as the “anti-BEPS” Directive) and the increased use of fiscal state aid investigations. Together with domestic initiatives around the world, these may result in significant changes to established tax principles and an increase in tax authority disputes. These, regardless of their merit or outcomes, can be costly, divert management attention and may adversely impact the Group’s reputation.

Third parties are critical to the Group’s business delivery and are an integral part of the solution to improve the Group’s productivity, quality, service and innovation. The Group relies on third-parties, including suppliers, distributors, individual contractors, licensees, and other pharmaceutical and biotechnology collaboration partners for discovery, manufacture, and marketing of the Group’s products and important business processes.

Third party business relationships present a material risk. For example, the Group shares critical and sensitive information such as marketing plans, clinical data, and employee data with specific third parties who are conducting the relevant outsourced business operations. Inadequate protection or misuse of this information by third parties could have significant impact on the Group’s business. Similarly, the Group uses distributors and agents in a range of activities such as promotion and tendering which have inherent risks such as inappropriate promotion or corruption. Insufficient internal compliance and controls by the distributors could affect the Group’s reputation. These risks are further increased by the complexities of working with large numbers of third parties.

Failure to prevent the Group’s employees and third parties not complying with the Group’s anti-bribery and corruption (“ABAC”) principles and standards, as well as with all applicable legislation.

Failure to mitigate this risk could expose the Group and associated persons to governmental investigation, regulatory action and civil and criminal liability, as well as damage the Group’s reputation, shareholder value, and the Group’s licence to operate in particular jurisdictions, all of which could materially and adversely affect the Group’s financial results.

The Group is exposed to bribery and corruption risk through its global business operations. In some markets, the government structure and the rule of law are less developed, and this has a bearing on the Group’s bribery and corruption risk exposure. In addition to the global nature of the Group’s business, the healthcare sector is highly competitive and subject to regulation. This increases the instances where the Group is exposed to activities and interactions with bribery and corruption risk.

The United States and UK authorities are leading extra-territorial ABAC enquiries into certain of the Group’s operations. These investigations are discussed further in Note 45 to the financial statements set out in the Group’s Annual Report 2015, ‘Legal proceedings’.

Failure to execute business strategies, or manage competitive opportunities or threats effectively and in accordance with the letter and spirit of legal, industry or company requirements.

Failure to manage risks related to commercialisation could materially and adversely affect the Group’s ability to grow a diversified global business and deliver more products of value.

Failure to comply with applicable laws, rules and regulations may result in governmental investigation, regulatory action and legal proceedings brought against the Group by governmental and
private plaintiffs. Failure to provide accurate and complete information related to the Group’s products may result in incomplete awareness of the benefit-risk profile of the Group’s products and possibly suboptimal treatment of patients and consumers. Any of these consequences could materially and adversely affect the Group. Any practices that are found to be misaligned with the Group’s values could also result in reputational damage and dilute trust established with key stakeholders.

The Group operates on a global basis in an industry that is both highly competitive and highly regulated. The Group’s competitors may make significant product innovations and technical advances and may intensify price competition. In light of this competitive environment, continued development of commercially viable new products and the development of additional uses for existing products are critical to achieve the Group’s strategic objectives.

Developing new pharmaceutical, vaccine and consumer healthcare products is a costly, lengthy and uncertain process, however, and a product candidate may fail at any stage, including after significant Group economic and human resources have been invested. The Group’s competitors’ products or pricing strategies or any failure on the Group’s part to develop commercially successful products, or to develop additional uses for existing products, could materially and adversely affect the Group’s ability to achieve its strategic objectives.

The Group is committed to the ethical and responsible commercialisation of its products to support its mission to improve the quality of human life by enabling people to do more, feel better, and live longer. To accomplish this mission, the Group engages the healthcare community in various ways to provide important information about the Group’s medicines.

Promotion of approved products seeks to ensure that healthcare professionals (“HCPs”) globally have access to information they need, that patients and consumers have access to the products they need and that products are prescribed, recommended or used in a manner that provides the maximum healthcare benefit to patients and consumers. The Group is committed to communicating information related to its approved products in a responsible, legal, and ethical manner.

At times, researchers, HCPs, healthcare organisations and other external experts that the Group engages may be compensated for services and expertise provided. However, payments must not be excessive and must never be or be perceived to be an inducement or reward for prescribing or recommending the Group’s products. Consistent with the Group’s ABAC policies, they also must comply with a market’s ABAC laws if the recipient of any payment is a government official.

In 2012, the Group paid U.S.$3 billion (£1.9 billion) to resolve government investigations in the United States focused in large part on promotional practices and in 2014 the Group paid 3 billion renminbi (£301 million), to resolve a government investigation in China focused on offering money or property to non-government personnel in order to obtain improper commercial gains.

**Failure adequately to conduct ethical and sound preclinical and clinical research. In addition, failure to engage in scientific activities that are consistent with the letter and spirit of the law, industry, or the Group’s requirements.**

The impacts of the risk include harm to patients, reputational damage, failure to obtain the necessary regulatory approvals for the Group’s products, governmental investigation, legal proceedings brought against the Group by governmental and private plaintiffs (product liability suits and claims for damages), and regulatory action such as fines, penalties or loss of product authorisation. Any of these consequences could materially and adversely affect the Group’s financial results.

Research relating to animals can raise ethical concerns. While the Group attempts to proactively address this, animal studies remain a vital part of the Group’s research. In many cases, they are the only method that can be used to investigate the effects of a potential new medicine in a living body before it is tested in humans, and they are generally mandated by regulators and ethically imperative. Animal research can provide critical information about the causes of diseases and how they develop. Some countries require additional animal testing even when medicines have been approved for use elsewhere.
Clinical trials in healthy volunteers and patients are used to assess and demonstrate an investigational product’s efficacy and safety or further evaluate the product once it has been approved for marketing. The Group also works with human biological samples. These samples are fundamental to the discovery, development and safety monitoring of the Group’s products.

The integrity of the Group’s data is essential to success in all stages of the research data lifecycle: design, generation, recording and management, analysis, reporting and storage and retrieval. The Group’s research data is governed by legislation and regulatory requirements.

Research data and supporting documents are core components at various stages of pipeline progression decision-making and also form the content of regulatory submissions. Poor data integrity can compromise the Group’s research efforts.

There are innate complexities and interdependencies required for regulatory filings, particularly given the Group’s global research and development footprint. Rapid changes in submission requirements in developing countries continue to increase the complexity of worldwide product registration.

Scientific engagement (“SE”) is an essential part of scientific discourse defined as the interaction and exchange of information between the Group and external communities in order to advance scientific and medical understanding, including the appropriate development and use of the Group’s products. Such non-promotional engagement with external stakeholder groups is vital to the Group’s mission and necessary for scientific and medical advance.

The scope of SE activities includes: advisory boards; scientific consultancies; pre-planned informal discussions with HCPs; sharing medical information; publications (including abstracts to congresses); scientific interactions with payers, patients, governments and the media; and support for independent medical education. Non-independent educational activities are covered by commercial practices.

SE activities are essential but present legal, regulatory, and reputational risk if the sharing of data, invited media coverage or payments for service providers has, or is perceived to have, inappropriate promotional intent. The risks are particularly high where HCPs engagement and associated financial and/or transfer of value disclosures are required by the Group.

**Failure to manage environment, health and safety and sustainability (“EHSS”) risks in line with the Group’s objectives and policies and with relevant laws and regulations.**

Failure to manage EHSS risks could lead to significant harm to people, the environment and communities in which the Group operates, fines, failure to meet stakeholder expectations and regulatory requirements, litigation or regulatory action, and damage to the Group’s reputation and could materially and adversely affect the Group’s financial results.

The Group is subject to health, safety and environmental laws of various jurisdictions. These laws impose duties to protect people, the environment and the communities in which the Group operates as well as potential obligations to remediate contaminated sites. The Group has also been identified as a potentially responsible party under the United States’ Comprehensive Environmental Response, Compensation, and Liability Act of 1980 at a number of sites for remediation costs relating to the Group’s use or ownership of such sites. Failure to manage these environmental risks properly could result in litigation, regulatory action and additional remedial costs that may materially and adversely affect the Group’s financial results. See Note 45 to the financial statements set out in the Group’s Annual Report 2015, ‘Legal proceedings’, (which are incorporated by reference herein) for a discussion of the environmental related proceedings in which the Group is involved. The Group routinely accrues amounts related to its liabilities for such matters.

**Failure to protect and maintain access to critical or sensitive computer systems or information.**

Failure to adequately protect critical and sensitive systems and information may result in loss of commercial or strategic advantage, damage to the Group’s reputation, litigation, or other business disruption including regulatory sanction, which could materially and adversely affect the Group’s financial results.
The Group relies on critical and sensitive systems and data, such as corporate strategic plans, sensitive personally identifiable information, intellectual property, manufacturing systems and trade secrets. There is the potential that malicious or careless actions expose the Group’s computer systems or information to misuse or unauthorised disclosure.

Several of the Group’s employees were indicted for theft of the Group’s research information. While the charges against the individuals are concerning, based on the Group’s current knowledge, the Group does not believe that this breach has had any material impact on the company’s R&D activity or ongoing business. The Group is conducting a full internal review into what occurred, and planning to continue to enhance the multiple layers of data protection that it already has in place.

Failure to deliver a continuous supply of compliant finished product; inability to recover and sustain critical operations, including key supply chains, following a disruption, or to respond to a crisis incident, in a timely manner.

The Group recognises that failure to supply its products can adversely impact consumers and patients who rely on them. A material interruption of supply or exclusion from healthcare programmes could expose the Group to litigation or regulatory action, incurring of fines or disgorgement and materially and adversely affect the Group’s financial results.

The Group’s international operations, and those of its partners, maintain a vast global footprint exposing the Group’s workforce, facilities, operations and information technology to potential disruption resulting from a natural event (e.g. storm or earthquake), a man-made event (e.g. civil unrest, terrorism), or a global emergency (e.g. Ebola outbreak, Flu pandemic). It is important for the Group to have robust crisis management and recovery plans in place to manage such events.

The Group’s supply chain operations are subject to review and approval by various regulatory agencies that effectively provide the Group’s licence to operate. Failure by the Group’s manufacturing and distribution facilities or by suppliers of key services and materials could lead to litigation or regulatory action such as product recalls and seizures, interruption of supply, delays in the approval of new products, and suspension of manufacturing operations pending resolution of manufacturing or logistics issues.

Materials and services provided by third-party suppliers are necessary for the commercial production of the Group’s products, including active pharmaceutical ingredients (“API”), antigens, intermediates, commodities and components necessary for the manufacture and packaging of many of the Group’s pharmaceutical, vaccine and consumer healthcare products. Some of the third-party services procured, such as services provided by contract manufacturing organisations and clinical research organisations to support development of key products, are important to ensure continuous operation of the Group’s businesses. Although the Group undertakes business continuity planning, single sourcing of certain components, bulk API, finished products, and services create a risk of failure of supply in the event of regulatory non-compliance or physical disruption at the manufacturing sites or logistics system.

The failure of a small number of single-source, third-party suppliers or service providers to fulfil their contractual obligations in a timely manner or as a result of regulatory non-compliance or physical disruption of logistics and manufacturing sites may result in delays or service interruptions.

Through effective crisis management and business continuity planning, the Group is committed to providing for the health and safety of its people, minimising damage and impact to the Group, and maintaining functional operations following a natural or man-made disaster, or a public health emergency.

Impact of Brexit

The vote of the United Kingdom to leave the EU has resulted in some uncertainty, including currency volatility and a significant weakening of Sterling against the Group’s principal trading currencies. The weakening of Sterling has had a beneficial translation impact on the Group’s Sterling results, but has also resulted in re-measurement increases in the value of the Group’s liabilities associated with the Group’s consumer healthcare joint venture with Novartis, as well as the Group’s global HIV business (managed
through ViiV Healthcare) (put options, preferential dividends, contingent consideration) attributable to the minority interests in these businesses arising from increases in the estimated Sterling forecasts for sales and cash flows. There has also been an increase in the Sterling value of foreign currency assets and liabilities, including gross and net debt.

The Group continues to monitor the impact of Brexit on its principal risks and remains of the view that it will add complexity to a wide range of business activities, with some short-term disruption likely. The Group has plans in place to mitigate these effects and does not currently believe that there will be a material adverse impact on the Group’s results or financial position.

**Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme**

**Risks related to the structure of a particular issue of Notes**

A range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

**Notes subject to optional redemption by the Issuer**

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

**Variable rate Notes with a multiplier or other leverage factor**

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

**Fixed/Floating Rate Notes**

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the Issuer has the right to affect such conversion, this will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer elects to convert from a fixed rate to a floating rate, in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer elects to convert from a floating rate to a fixed rate, in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

**Notes issued at a substantial discount or premium**

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.
**Risks related to Notes generally**

Set out below is a description of material risks relating to the Notes generally:

**Modification, waivers and substitution**

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The conditions of the Notes also provide that the Trustee may, without the consent of Noteholders, agree to (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of the Notes or (ii) determine without the consent of the Noteholders that any Event of Default or potential Event of Default shall not be treated as such or (iii) the substitution of another company as principal debtor under any Notes in place of the Guarantor, in the circumstances described in Condition 16 of the conditions of the Notes.

**Change of law**

The conditions of the Notes are based on English law in effect as at the date of this Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this Prospectus.

**Notes where denominations involve integral multiples: definitive Notes**

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination (as defined in the relevant Final Terms) plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

**Risks related to the market generally**

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

**The secondary market generally**

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

**Exchange rate risks and exchange controls**

The Issuer will pay principal and interest on the Notes and the Guarantor will make any payments under the Guarantee in the Specified Currency. This presents certain risks relating to currency conversions if an investor’s financial activities are denominated principally in a currency or currency unit (the “Investor’s Currency”) other than the Specified Currency. These include the risk that exchange rates may
significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor’s Currency) and the risk that authorities with jurisdiction over the Investor’s Currency may impose or modify exchange controls. An appreciation in the value of the Investor’s Currency relative to the Specified Currency would decrease (i) the Investor’s Currency-equivalent yield on the Notes, (ii) the Investor’s Currency equivalent value of the principal payable on the Notes and (iii) the Investor’s Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

**Interest rate risks**

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

**Credit ratings may not reflect all risks**

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

In general, European regulated investors are restricted under the CRA Regulation from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). Certain information with respect to the credit rating agencies and ratings is set out on the front cover of this Prospectus.

**Legal investment considerations may restrict certain investments**

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Notes are legal investments for it; (ii) Notes can be used as collateral for various types of borrowing; and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Potential investors should be aware that GSK Capital plc is a financing company which lends the major part of all moneys raised by it to other companies within the Group. As such the ability of GSK Capital plc to fulfil its obligations under the Notes may be dependent on the Guarantor’s policy decisions from time to time, as the parent company of the Group. However, the Guarantor separately has its obligations to fulfil under the Guarantee.

**U.S. Foreign Account Tax Compliance Act Withholding**

The U.S. Foreign Account Tax Compliance Act (“FATCA”) will generally impose a withholding tax of 30 per cent. on “foreign passthru payments” received by foreign financial institutions (“FFIs”), unless certain requirements are met. Under FATCA, the Issuers and FFIs through which payments on the Notes (including original issue discount, if any, and principal and redemption proceeds), are made could be required to withhold this tax in certain circumstances. Payments on or with respect to the Notes will not become subject to FATCA withholding sooner than 1st January, 2019. Furthermore, Notes that are outstanding as of the date that is six months after regulations defining the term “foreign passthru payment”
are published (the “grandfathering period”) will not be subject to FATCA withholding unless the Notes are considered to be equity for U.S. federal income tax purposes or the Notes are “materially modified” for U.S. federal income tax purposes after the end of the grandfathering period. No withholding would be required under FATCA provided that payees (including any intermediary entities in a chain or series of payments) comply with certain information reporting, certification and related requirements. The United States has entered into intergovernmental agreements with respect to FATCA with the United Kingdom and certain other jurisdictions, and is in the process of negotiating intergovernmental agreements with many other countries. It is not yet certain how the United States and these jurisdictions will address “foreign passthru payments” or if withholding will be required at all under such agreements. Noteholders will not be entitled to receive any additional amounts in the event that payments on the Notes are subject to withholding under FATCA. Prospective investors should consult their own tax advisors regarding the application of FATCA to the Notes.
FORM OF THE NOTES

Each Tranche of Notes will be in bearer form and will be initially issued in the form of a temporary global note (a “Temporary Global Note”) or, if so specified in the applicable Final Terms, a permanent global note (a “Permanent Global Note” and, together with the Temporary Global Note, the “Global Notes”) which, in either case will:

(i) if the Global Notes are intended to be issued in new global note form (“NGN”), as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the “Common Safekeeper”) for Euroclear Bank S.A./N.V. (“Euroclear”) and Clearstream Banking S.A. (“Clearstream, Luxembourg”); and

(ii) if the Global Notes are not intended to be issued in NGN form (“CGN”), be delivered on or prior to the original issue date of the Tranche to Citibank, N.A., London Branch, as common depositary (the “Common Depositary”) for Euroclear and Clearstream, Luxembourg.

Where the Global Notes issued in respect of any Tranche of Notes is in NGN form, the applicable Final Terms will also indicate whether or not such Global Notes are intended to be held in a manner which would allow Eurosystem eligibility and Euroclear and/or Clearstream, Luxembourg (as applicable) will be notified accordingly. Any indication that the Global Notes are to be so held does not necessarily mean that the Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The Common Safekeeper for NGNs will either be Euroclear or Clearstream, Luxembourg or another entity approved by Euroclear and Clearstream, Luxembourg.

Whilst any Note is represented by a Temporary Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Global Note if the Temporary Global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in the Temporary Global Note are not U.S. persons or persons who have purchased for resale to any U.S. person or any person within the United States or its possessions, as required by Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Agent.

On and after the date which is 40 days after the Temporary Global Note is issued (the “Exchange Date”), interests in such Temporary Global Note will be exchangeable (free of charge) upon a request as described therein for either (i) interests in a Permanent Global Note of the same Series or (ii) definitive Notes of the same Series with, where applicable, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of definitive Notes, to such notice period as is specified in the applicable Final Terms), in each case against certification of beneficial ownership as described above unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest (if any), principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Global Note for an interest in a Permanent Global Note or for definitive Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Permanent Global Note if the Permanent Global Note is not intended to be issued in NGN form) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Notes with, where applicable, interest coupons and talons attached only upon the occurrence of an Exchange Event. For these purposes, “Exchange Event” means that (i) an Event of Default (as defined in Condition 9) has occurred and is continuing, (ii) the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a
continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system satisfactory to the Trustee is available or (iii) the relevant Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Permanent Global Note in definitive form and a certificate to such effect signed by two Directors of the relevant Issuer has been given to the Trustee. The relevant Issuer will promptly give notice to the Noteholders in accordance with Condition 15 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) or the Trustee may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the relevant Issuer may also give notice to the Agent requesting exchange. Any such exchange shall occur not more than 45 days after the date of receipt of the first relevant notice by the Agent. No definitive Note delivered in exchange for a Permanent Global Note will be mailed or otherwise delivered to any location in the United States in connection with such exchange.

The following legend will appear on all Notes (other than Temporary Global Notes) and on all interest coupons and talons relating to such Notes where TEFRA D is specified in the applicable Final Terms:

“ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE.”

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of Notes or interest coupons.

Notes which are represented by a Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Pursuant to the Agency Agreement (as defined under “Terms and Conditions of the Notes”), the Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN which are different from the common code and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

For so long as any of the Notes is represented by a Temporary Global Note or a Permanent Global Note held on behalf of Euroclear and/or Clearstream, Luxembourg each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or any form of record made by any of them or such other evidence and/or information and/or certification as the Trustee shall, in its absolute discretion, think fit to the effect that at any particular time or throughout any particular period any particular person is, was, or will be, shown in its records as the holder of a particular nominal amount of Notes represented by a Global Note and if it does so rely, such letter of confirmation, form of record, evidence, information or certification shall be conclusive and binding on all concerned save in the case of manifest error) shall be treated by the relevant Issuer, the Guarantor (in the case of Guaranteed Notes) and their agents and the Trustee as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest (if any) on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the relevant Issuer, the Guarantor (in the case of Guaranteed Notes) and their agents and the Trustee as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note; and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, if the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or as may otherwise be approved by the relevant Issuer, the Agent and the Trustee.
No Noteholder or Couponholder shall be entitled to proceed directly against the relevant Issuer or the Guarantor (in the case of Guaranteed Notes) unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure shall be continuing.

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each Definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to “Form of the Notes” for a description of the content of Final Terms which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series (as defined below) of Notes issued by GlaxoSmithKline plc (“GSK plc”) or GlaxoSmithKline Capital plc (“GSK Capital plc”) (each, an “Issuer” and together, the “Issuers”) constituted by a Trust Deed (such Trust Deed as modified and/or supplemented and/or restated from time to time, the “Trust Deed”) dated 4th December, 2001 and made between GSK Capital Inc. and GSK Capital plc as issuers, GSK plc as guarantor (the “Guarantor”) and The Law Debenture Trust Corporation p.l.c. (the “Trustee”, which expression shall include any successor trustee) as Trustee of the Noteholders (as defined below). By a Second Supplemental Trust Deed dated 13th May, 2004 and made between the Issuers, the Guarantor and the Trustee, GlaxoSmithKline plc became an Issuer under the Programme. The Issuers, the Guarantor and the Trustee entered into the Third Supplemental Trust Deed on 20th July, 2005, the Fourth Supplemental Trust Deed on 9th March, 2007, the Fifth Supplemental Trust Deed on 30th July, 2008, the Sixth Supplemental Trust Deed on 30th July, 2009, the Seventh Supplemental Trust Deed on 5th September, 2012 and the Eighth Supplemental Trust Deed on 5th August, 2013. Notes issued by GSK Capital plc (“Guaranteed Notes”) will be unconditionally and irrevocably guaranteed by the Guarantor under the terms of the Trust Deed (such guarantee, the “Guarantee”).

References in these Terms and Conditions to the “Issuer” shall be to the Issuer of the Notes as specified in the applicable Final Terms.

References herein to the “Notes” shall be references to the Notes of this Series and shall mean:

(i) in relation to any Notes represented by a global Note (a “Global Note”), units of the lowest Specified Denomination in the Specified Currency;

(ii) any Global Note; and

(iii) any definitive Notes issued in exchange for a Global Note.

The Notes and the Coupons (as defined below) also have the benefit of an amended and restated Agency Agreement (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the “Agency Agreement”) and most recently amended and restated on 5th August, 2013, and made between the Issuers, the Guarantor, the Trustee, Citibank, N.A., London Branch as issuing and principal paying agent and agent bank (the “Agent”, which expression shall include any successor agent) and the other paying agents named therein (together with the Agent, the “Paying Agents”, which expression shall include any additional or successor paying agents).

Interest bearing definitive Notes have interest coupons (“Coupons”) and, in the case of Notes, which, when issued in definitive form, have more than 27 interest payments remaining to be paid, talons for further Coupons (“Talons”) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Global Notes do not have Coupons or Talons attached on issue.

The final terms for this Note (or the relevant provisions thereof) as set out in Part A of the Final Terms is attached to or endorsed on this Note and supplements these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms
and Conditions, replace or modify these Terms and Conditions for the purposes of this Note. References to the “applicable Final Terms” are, unless otherwise stated, to the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

The Trustee acts for the benefit of the holders of the Notes (the “Noteholders”, which expression shall, in relation to any Notes represented by a Global Note, be construed as provided below) and the holders of the Coupons (the “Couponholders”, which expression shall, unless the context otherwise requires, include the holders of the Talons) in accordance with the provisions of the Trust Deed.

As used herein, “Tranche” means Notes which are identical in all respects (including as to listing and admission to trading) and “Series” means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects (including as to listing and admission to trading) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Trust Deed and the Agency Agreement are available for inspection during normal business hours at the registered office for the time being of the Trustee (being, at 5th August, 2013, at Fifth Floor, 100 Wood Street, London EC2V 7EX, U.K.) and at the specified office of each of the Paying Agents.

Copies of the applicable Final Terms are available for inspection during normal business hours at the registered offices of GSK plc and GSK Capital plc at 980 Great West Road, Brentford, Middlesex, TW8 9GS, U.K. and at the specified office of each of the Paying Agents. The Noteholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Trust Deed, the Agency Agreement and the applicable Final Terms which are applicable to them. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed.

Words and expressions defined in the Trust Deed or the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the Trust Deed, the Trust Deed will prevail and, in the event of inconsistency between the Agency Agreement or the Trust Deed and the applicable Final Terms, the applicable Final Terms will prevail.

1. **FORM, DENOMINATION AND TITLE**

The Notes are in bearer form and, in the case of definitive Notes, serially numbered, in the currency (the “Specified Currency”) and the denominations (“Specified Denomination(s)”) specified in the applicable Final Terms provided always that the minimum Specified Denomination in respect of any Tranche of Notes shall be €100,000 (or the equivalent thereof in any other currency). Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination.

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Definitive Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable.

Subject as set out below, title to the Notes and Coupons will pass by delivery. The relevant Issuer, the Guarantor, the Trustee and the Paying Agents will (except as otherwise required by law) deem and treat the bearer of any Note or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank S.A./N.V (“Euroclear”) and/or Clearstream Banking, société anonyme (“Clearstream, Luxembourg”), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such
Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor, the Trustee and the Paying Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest (if any) on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer, the Guarantor, the Trustee and the Paying Agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the Trust Deed and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly. In determining whether a particular person is entitled to a particular nominal amount of Notes as aforesaid, the Trustee may rely on such evidence and/or information and/or certification as it shall, in its absolute discretion, think fit and, if it does so rely, such evidence and/or information and/or certification shall in the absence of manifest error, be conclusive and binding on all concerned. Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be.

References to Euroclear and/or Clearstream, Luxembourg shall, if the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms or as may otherwise be approved by the Issuer, the Agent and the Trustee.

2. STATUS OF THE NOTES AND THE GUARANTEE

(a) Status of the Notes

The Notes and any relative Coupons are direct, unconditional, unsubordinated and (subject to the provisions of Condition 3) unsecured obligations of the Issuer and rank pari passu among themselves and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer, from time to time outstanding.

(b) Status of the Guarantee

In the case of Guaranteed Notes, the payment of principal and interest (if any) together with all other sums payable by the Issuer under the Trust Deed in respect of the Notes has been unconditionally and irrevocably guaranteed by the Guarantor in the Trust Deed. The obligations of the Guarantor are direct, unconditional, unsubordinated and (subject to the provisions of Condition 3) unsecured obligations of the Guarantor and (save for certain obligations required to be preferred by law) rank equally with all other unsecured obligations (other than subordinated obligations, if any) of the Guarantor, from time to time outstanding.

3. NEGATIVE PLEDGE

So long as any of the Notes remains outstanding (as defined in the Trust Deed):

(a) the Issuer will not create or permit to subsist any mortgage, charge, pledge or lien (other than a lien arising by operation of law) upon the whole or any part of its property, assets or revenues, present or future, to secure (i) payment of any Relevant Indebtedness or (ii) any payment under any guarantee or indemnity granted by the Issuer in respect of any Relevant Indebtedness (as defined below); and

(b) the Guarantor (in the case of Guaranteed Notes) will not and will procure that no Subsidiary (as defined below) of the Guarantor will create or permit to subsist any mortgage, charge, pledge or lien (other than a lien arising by operation of law) upon the whole or any part of its property, assets or revenues, present or future, to secure (i) payment of any Relevant Indebtedness or (ii) any payment under any guarantee or indemnity granted by the Guarantor or any Principal Subsidiary (as defined below) in respect of any Relevant Indebtedness.
without in any such case at the same time according to the Notes (unless it has already been so accorded) to the satisfaction of the Trustee either the same security as is created or subsisting to secure any such Relevant Indebtedness, guarantee or indemnity or such other arrangement (whether or not comprising security) as the Trustee shall in its absolute discretion deem not materially less beneficial to the Noteholders or as shall be approved by an Extraordinary Resolution (as such term is defined in the Trust Deed) of the Noteholders.

For the purposes of this Condition, “Relevant Indebtedness” means any indebtedness which (a) is in the form of or represented by bonds, notes, loan stock, depositary receipts or other securities issued otherwise than to constitute or represent advances made by banks and/or other lending institutions; (b) is denominated, or confers any right to payment of principal, premium and/or interest, in or by reference to any currency other than the currency of the country in which the issuer of the indebtedness has its principal place of business, or is denominated in or by reference to the currency of such country but is placed or offered for subscription or sale by or on behalf of, or by agreement with, the issuer as to over 20 per cent. outside such country; and (c) at its date of issue is, or is intended by the issuer to become, quoted, listed, traded or dealt in on any stock exchange, over-the-counter market or other securities market.

In these Terms and Conditions, “Subsidiary” means a subsidiary within the meaning of Section 1159 of the Companies Act 2006.

4. INTEREST

(a) Interest on Fixed Rate Notes

This Condition 4(a) applies to Fixed Rate Notes only. The applicable Final Terms contains provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 4(a) for full information on the manner in which interest is calculated on Fixed Rate Notes. In particular, the applicable Final Terms will specify the Interest Commencement Date, the Rate(s) of Interest, the Interest Payment Date(s), the Maturity Date, the Fixed Coupon Amount, any applicable Broken Amount, the Calculation Amount, the Day Count Fraction and any applicable Determination Date.

Each Fixed Rate Note bears interest on its outstanding nominal amount from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrears on the Interest Payment Date(s) in each year up to (and including) the Maturity Date. For so long as any of the Fixed Rate Notes is represented by a global Note held on behalf of Clearstream, Luxembourg and/or Euroclear, interest will be calculated on the full nominal amount outstanding of the Fixed Rate Notes and will be paid to Clearstream, Luxembourg and Euroclear for distribution by them to entitled accountholders in accordance with their usual rules and operating procedures. In respect of each definitive Fixed Rate Note, interest will be calculated on its outstanding nominal amount.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Terms and Conditions, “Fixed Interest Period” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

If interest is required to be calculated for a period other than a Fixed Interest Period or if, in the case of Notes in definitive form, no Fixed Coupon Amount is specified in the applicable Final Terms, such interest shall be calculated by applying the Rate of Interest to:
(A) in the case of Fixed Rate Notes which are represented by a global Note held on behalf of Clearstream, Luxembourg and/or Euroclear, the full nominal amount outstanding of the Fixed Rate Notes;

(B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amounts by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest in accordance with this Condition 4(a):

(i) if “**Actual/Actual (ICMA)**” is specified in the applicable Final Terms:

(a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “**Accrual Period**”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or

(b) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:

1. the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and

2. the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and

(ii) if “**30/360**”, “**360/360**” or “**Bond Basis**” is specified in the applicable Final Terms, the number of days in the Interest Period in respect of which payment is being made divided by 360, calculated on a formula basis as follows:

\[
\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1) + (D_2 - D_1)]}{360}
\]

Where:

“**Y_1**” is the year, expressed as a number, in which the first day of the Interest Period falls;

“**Y_2**” is the year, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;

“**M_1**” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“**M_2**” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;
“D1” is the first calendar day, expressed as a number, of the Interest Period, unless such number
would be 31, in which case D will be 30; and

“D2” is the calendar day, expressed as a number, immediately following the last day included
in the Interest Period, unless such number would be 31 and D1 is greater than 29, in which case
D2 will be 30.

In these Terms and Conditions:

“Determination Period” means each period from (and including) a Determination Date to (but
excluding) the next Determination Date (including, where either the Interest Commencement
Date or the final Interest Payment Date is not a Determination Date, the period commencing
on the first Determination Date prior to, and ending on the first Determination Date falling
after, such date); and

“sub-unit” means, with respect to any currency other than euro, the lowest amount of such
currency that is available as legal tender in the country of such currency and, with respect to
euro, means one cent.

(b) Interest on Floating Rate Notes

This Condition 4(b) applies to Floating Rate Notes only. The applicable Final Terms contains
provisions applicable to the determination of floating rate interest and must be read in conjunction
with this Condition 4(b) for full information on the manner in which interest is calculated on Floating
Rate Notes. In particular, the applicable Final Terms will identify any Specified Interest Payment
Dates, any Specified Period, the Interest Commencement Date, the Business Day Convention, any
Additional Business Centres, whether ISDA Determination or Screen Rate Determination applies to
the calculation of interest, the party who will calculate the amount of interest due if it is not the Agent,
the Margin, any maximum or minimum interest rates and the Day Count Fraction. Where ISDA
Determination applies to the calculation of interest, the applicable Final Terms will also specify the
applicable Floating Rate Option, Designated Maturity and Reset Date. Where Screen Rate
Determination applies to the calculation of interest, the applicable Final Terms will also specify the
applicable Reference Rate, Relevant Financial Centre, Interest Determination Date(s) and Relevant
Screen Page.

(i) Interest Payment Dates

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date
and such interest will be payable in arrear on either:

(A) the Specified Interest Payment Date(s) in each year specified in the applicable Final
Terms; or

(B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms,
each date (each such date, together with each Specified Interest Payment Date, an
“Interest Payment Date”) which falls on the number of months or other period
specified as the Specified Period in the applicable Final Terms after the preceding
Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest
Commencement Date.

Such interest will be payable in respect of each Interest Period. In these Terms and Conditions,
“Interest Period” means the period from (and including) an Interest Payment Date (or the
Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date. For
so long as any of the Floating Rate Notes is represented by a global Note held on behalf of
Clearstream, Luxembourg and/or Euroclear, interest will be calculated on the full nominal
amount outstanding of the relevant Notes and will be paid to Clearstream, Luxembourg and
Euroclear for distribution by them to entitled accountholders in accordance with their usual
rules and operating procedures. In respect of each definitive Floating Rate Note, interest will be calculated on its outstanding nominal amount.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

(A) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply mutatis mutandis or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or

(B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or

(C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or

(D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Terms and Conditions, “Business Day” means a day which is both:

(A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in each Additional Business Centre specified in the applicable Final Terms; and

(B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which TARGET2 (or any successor thereto) is open for the settlement of payments in euro. “TARGET2” means the Trans-European Automated Real-time Gross Settlement Express Transfer payment system which utilises a single shared platform and which was launched on 19th November, 2007 or any successor thereto.

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “ISDA Rate”
for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the “ISDA Definitions”) and under which:

(1) the Floating Rate Option is as specified in the applicable Final Terms;
(2) the Designated Maturity is a period specified in the applicable Final Terms; and
(3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (“LIBOR”) or on the Euro-zone inter-bank offered rate (“EURIBOR”), the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

The ISDA Definitions contain provisions for determining the applicable Floating Rate (as defined herein) in the event that the specified Floating Rate is not available.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent” “Floating Rate Option”, “Designated Maturity” and “Reset Date” have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(B) **Screen Rate Determination for Floating Rate Notes**

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

(1) the offered quotation; or
(2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations, (expressed as a percentage rate per annum) for the Reference Rate (being either LIBOR or EURIBOR, as specified in the applicable Final Terms) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. London time, in the case of LIBOR, or 11.00 a.m. Brussels time, in the case of EURIBOR, on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

(iii) **Minimum Rate of Interest and/or Maximum Rate of Interest**

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in
accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) **Determination of Rate of Interest and calculation of Interest Amounts**

The Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Agent will calculate the amount of interest (the “**Interest Amount**”) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

(A) in the case of Floating Rate Notes which are represented by a global Note held on behalf of Clearstream, Luxembourg and/or Euroclear, the full nominal amount outstanding of the relevant Notes; or

(B) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest in accordance with this Condition 4(b):

(A) if “Actual/Actual” or “Actual/Actual (ISDA)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);

(B) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;

(C) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;

(D) if “30/360”, “360/360” or “**Bond Basis**” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

\[
\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1) + (D_2 - D_1)]}{360}
\]

Where:

“Y_1” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y_2” is the year, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;
“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

(E) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of the final Interest Period, the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).

(v) Notification of Rate of Interest and Interest Amounts

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, Trustee and any stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to listing and notice thereof to be given in accordance with Condition 15 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange or other relevant authority on which the relevant Floating Rate Notes are for the time being listed or by which they have been admitted to listing and to the Noteholders in accordance with Condition 15. For the purposes of this paragraph, the expression “London Business Day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(vi) Determination or Calculation by Trustee

If for any reason the Agent at any time after the Issue Date defaults in its obligation to determine the Rate of Interest or calculate any Interest Amount in accordance with subparagraph (ii) or (iv), as the case may be, above, the Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions in this Condition but subject always to any Minimum or Maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Trustee shall calculate the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Agent.

(vii) Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Agent or the Trustee, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Guarantor, the Agent, the Trustee, the other Paying Agents and all Noteholders and Couponholders and (in the absence of wilful default, bad faith or manifest error) no liability to the Issuer, the Guarantor, the Noteholders or
the Couponholders shall attach to the Agent or the Trustee in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) **Accrual of interest**

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

5. **PAYMENTS**

(a) **Method of payment**

Subject as provided below:

(i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with, or, as the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne and Auckland, respectively provided however that no payment may be made by transfer of funds to an account maintained in the United States or by cheque mailed to an address in the United States); and

(ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque (provided however that no payment may be made by transfer of funds to an account maintained in the United States or by cheque mailed to an address in the United States).

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7.

(b) **Presentation of definitive Notes and Coupons**

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest (if any) in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used in this Condition 5, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Fixed Rate Notes in definitive form (other than Floating Rate Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned in paragraph (a) above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.
Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A “Long Maturity Note” is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

(c) Payments in respect of Global Notes

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States.

A record of each payment made against presentation or surrender of any Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented and such record shall be prima facie evidence that the payment in question has been made.

(d) General provisions applicable to payments

The holder of a Global Note (or, as provided in the Trust Deed, the Trustee) shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer or, as the case may be, the Guarantor will be discharged by payment to, or to the order of, the holder of such Global Note (or the Trustee, as the case may be) in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor to, or to the order of, the holder of such Global Note (or the Trustee, as the case may be). No person other than the holder of the Global Note (or, as provided in the Trust Deed, the Trustee) shall have any claim against the relevant Issuer or, as the case may be, the Guarantor in respect of any payments due on such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest (if any) in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest (if any) in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

(i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest (if any) on the Notes in the manner provided above when due;

(ii) payment of the full amount of such principal and interest (if any) at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other
similar restrictions on the full payment or receipt of principal and interest (if any) in U.S.
dollars; and

(iii) such payment is then permitted under United States law without involving, in the opinion of
the Issuer, adverse tax consequences to the Issuer.

(e) Payment Day

If the date for payment of any amount in respect of any Note or Coupon is not a Payment Day, the
holder thereof shall not be entitled to payment until the next following Payment Day in the relevant
place and shall not be entitled to further interest or other payment in respect of such delay. For these
purposes, “Payment Day” means any day which (subject to Condition 8) is:

(i) a day on which commercial banks and foreign exchange markets settle payments and are open
for general business (including dealing in foreign exchange and foreign currency deposits) in:

(A) in the case of Notes in definitive form only the relevant place of presentation; and

(B) each Additional Financial Centre specified in the applicable Final Terms; and

(ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on
which commercial banks and foreign exchange markets settle payments and are open for
general business (including dealing in foreign exchange and foreign currency deposits) in the
principal financial centre of the country of the relevant Specified Currency (which, if the
Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne and
Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which
TARGET2 is open.

(f) Interpretation of principal and interest

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to
include, as applicable:

(i) any additional amounts which may be payable with respect to principal under Condition 7 or
under any undertaking given in addition thereto, or in substitution therefor, pursuant to the
Trust Deed;

(ii) the Final Redemption Amount of the Notes;

(iii) the Early Redemption Amount of the Notes;

(iv) the Optional Redemption Amount(s) (if any) of the Notes;

(v) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 6(e)); and

(vi) any premium and any other amounts (other than interest) which may be payable by the Issuer
under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to
include, as applicable, any additional amounts which may be payable with respect to interest under
Condition 7 or under any undertaking given in addition thereto, or in substitution therefor, pursuant
to the Trust Deed.

6. REDEMPTION AND PURCHASE

(a) Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note will be
redeemed by the relevant Issuer at its Final Redemption Amount specified in, or determined in the
manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

(b) **Redemption for tax reasons**

The Notes may be redeemed in whole but not in part, at the option of the Issuer, at any time or, if the Notes are Floating Rate Notes, on any Interest Payment Date, upon not more than 30 nor less than 15 days’ prior notice given in accordance with Condition 15 (which notice will be irrevocable), at their Early Redemption Amount, together, if applicable, with interest accrued to (but excluding) the date fixed for redemption, if, as a result of any amendment to, or change in, the laws or regulations of the United Kingdom or any political subdivision or taxing authority thereof or therein (as applicable) affecting taxation, or any amendment to or change in an official application or interpretation of such laws or regulations, which amendment or change is effective on or after the Issue Date of the first Tranche of the Notes, the Issuer will become obligated to pay any additional amounts pursuant to Condition 7 on the next succeeding Interest Payment Date in respect of the Notes and such obligation cannot be avoided by the Issuer or, as the case may be, the Guarantor taking reasonable measures available to it; provided, however, that (1) no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due and (2) at the time such notice of redemption is given, such obligation to pay such additional amounts remains in effect. Immediately prior to the giving of any notice of redemption pursuant to this paragraph the Issuer will deliver to the Trustee a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

(c) **Redemption at the option of the Issuer (Issuer Call)**

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

(i) not less than 15 nor more than 30 days’ notice to the Noteholders in accordance with Condition 15; and

(ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Agent and the Trustee;

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any partial redemption must be of a nominal amount not less than the Minimum Redemption Amount or not more than the Higher Redemption Amount, in each case as may be specified in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed (“**Redeemed Notes**”) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the “**Selection Date**”). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be notified to Noteholders in accordance with Condition 15 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (d) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 15 at least five days prior to the Selection Date.
(d) Redemption at the option of the Noteholders (Investor Put)

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 15 not less than 15 nor more than 30 days’ notice (which notice shall be irrevocable) the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of this Note the holder of this Note must deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a “Put Notice”) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by, if this Note is in definitive form, this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control.

(e) Early Redemption Amounts

For the purpose of paragraph (b) above and Condition 9, each Note will be redeemed at the Early Redemption Amount calculated as follows:

(i) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;

(ii) in the case of a Note (other than a Zero Coupon Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Note is denominated, at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at its nominal amount; or

(iii) in the case of a Zero Coupon Note, at an amount (the “Amortised Face Amount”) calculated in accordance with the following formula:

\[ \text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y \]

where:

“\text{RP}” means the Reference Price;

“\text{AY}” means the Accrual Yield expressed as a decimal; and

“\text{y}” is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (Fixed), Actual/365 or Actual/Actual (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365).
(f) **Purchases**

The Issuer, the Guarantor or any other Subsidiary of the Guarantor may at any time purchase Notes (provided that, in the case of definitive Notes, all unmatured Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. Such Notes may be held, reissued, resold or, at the option of the Issuer, the Guarantor or the relevant Subsidiary of the Guarantor, surrendered to any Paying Agent for cancellation.

(g) **Cancellation**

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled (together with all unmatured Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

(h) **Late payment on Zero Coupon Notes**

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (e)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

(A) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and

(B) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent or the Trustee and notice to that effect has been given to the Noteholders in accordance with Condition 15.

7. **TAXATION**

All payments of principal and interest (if any) by the Issuer or the Guarantor (in the case of Guaranteed Notes) will be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges (together, the “Taxes”) of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any political subdivision thereof or any authority thereof or therein having power to levy the same, unless such withholding or deduction is required by law. In that event, the Issuer or the Guarantor (as the case may be) shall, subject to the penultimate paragraph of this Condition 7 below, pay such additional amounts as will result in the receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such Taxes been required to be withheld or deducted; provided that no such additional amounts will be payable in respect of Notes or Coupons:

(a) presented for payment by or on behalf of a Noteholder or Couponholder who is liable for such withheld or deducted Taxes by reason of his having some connection with the United Kingdom other than the mere holding of a Note or Coupon; or

(b) to, or to a third party on behalf of, a Noteholder or Couponholder if such withholding or deduction may be avoided by the Noteholder or Couponholder complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to any authority of or in the United Kingdom, unless such Noteholder or Couponholder proves that he is not entitled so to comply or to make such declaration or claim; or

(c) presented for payment in the United Kingdom; or
(d) presented for payment more than 30 days after the Relevant Date except to the extent that a Noteholder or Couponholder would have been entitled to payment of such additional amounts if he had presented his Note or Coupon for payment on the thirtieth day after the Relevant Date (assuming that day to have been a Payment Day (as defined in Condition 5(e)); or

(e) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or

(f) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent in a Member State of the European Union (other than in the United Kingdom).

All payments of principal and interest (if any) by the Issuer or the Guarantor (in the case of Guaranteed Notes) will be made in all cases subject to any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or law implementing an intergovernmental approach thereto. Any such amounts withheld or deducted will be treated as paid for all purposes under the Notes, and no additional amounts will be paid in respect of the Notes or Coupons with respect to any such withholding or deduction.

“Relevant Date” means, in respect of any payment, the date on which such payment first becomes due and payable, if the full amount of such money has not been received by the Agent or the Trustee prior to such date, or the date on which the full amount of such money having been so received by the Agent or Trustee, notice to that effect shall have been given in accordance with Condition 15.

8. PRESCRIPTION

The Notes and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

9. EVENTS OF DEFAULT

The Trustee at its discretion may, and if so requested in writing by Noteholders holding at least one quarter in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution shall (subject in each case to being indemnified and/or secured to its satisfaction), (provided that, except in the case of the happening of the event mentioned in paragraph (i) below, the Trustee shall have certified that in its opinion such event is materially prejudicial to the interests of the Noteholders) give notice to the Issuer and the Guarantor (in the case of Guaranteed Notes), that the Notes are, and they shall thereby immediately become, due and repayable at their Early Redemption Amount (as described in Condition 6(e)) together with accrued interest as provided in the Trust Deed (except in the case of Zero Coupon Notes to which the provisions of Condition 6(h) apply), if any of the following events shall occur (each, following certification as aforesaid, an “Event of Default”) and be continuing:

(i) the Issuer, failing whom the Guarantor (in the case of Guaranteed Notes), fails to pay the principal of any Notes within seven business days of the due date or fails to pay any interest (if any) in respect of the Notes within 14 business days of the due date and for the purposes of this paragraph (i) “business day” shall mean a day (other than a Saturday or a Sunday) on which commercial banks are open for business in London; or

(ii) the Issuer defaults in performance or observance of or compliance with any of its other undertakings set out in the Notes or the Trust Deed or the Guarantor (in the case of Guaranteed
Notes) defaults in performance or observance of or compliance with any of its obligations under the Notes or the Trust Deed, which default is incapable of remedy or which, if capable of remedy, is not remedied to the Trustee’s satisfaction within 30 days (or such longer period as the Trustee may permit) after written notice requiring remedy of such default shall have been given to the Issuer and the Guarantor by the Trustee; or

(iii) any indebtedness for borrowed moneys of either the Issuer, the Guarantor (in the case of Guaranteed Notes) or any Principal Subsidiary, having in any particular case an outstanding principal amount of at least £100,000,000 (or its equivalent, from time to time, in any other currency), becomes due and payable prior to its stated maturity by reason of an event of default in relation thereto or is not paid on its due date or after any applicable period of grace; or

(iv) a distress or execution or other legal process is levied or enforced against, or an encumbrancer takes possession of, or an administrative or other receiver or an administrator is appointed of, the whole or any part (which is substantial in relation to the Guarantor and its Subsidiaries taken as a whole) of the assets or undertakings of the Issuer, the Guarantor or any Principal Subsidiary and is not stayed, removed, discharged or paid out within 30 days; or

(v) the Issuer, the Guarantor (in the case of Guaranteed Notes) or any Principal Subsidiary is unable to pay its debts generally as they fall due or makes or enters into a general assignment or an arrangement or composition with or for the benefit of its creditors generally or an effective resolution is passed or an order is made for the winding up of the Issuer, the Guarantor or any Principal Subsidiary or the Issuer, the Guarantor or any Principal Subsidiary stops payment of its obligations generally or ceases to carry on its business or a part thereof which is substantial in relation to the Guarantor and its Subsidiaries taken as a whole (except in any case for the purpose of a reconstruction, union, transfer, merger or amalgamation effected with the consent of the Trustee and except, in the case of a Principal Subsidiary, for the purpose of a reconstruction, union, transfer, merger or amalgamation pursuant to which all of its property, assets and undertakings are transferred to either the Issuer, the Guarantor (in the case of Guaranteed Notes) or another Principal Subsidiary).

“Principal Subsidiary” is defined in the Trust Deed to mean a Subsidiary of the Guarantor whose total assets or total profits before interest payable and tax (“Gross Profits”) (attributable to the Guarantor) represent 10 per cent. or more of the consolidated total assets or consolidated Gross Profits (as the case may be) of the Guarantor and its Subsidiaries as reflected in the latest published audited consolidated financial statements of the Guarantor and its Subsidiaries (all as more particularly described in the Trust Deed). Total assets and total Gross Profits will, for this purpose, exclude assets and profits eliminated in the consolidation referred to in the previous sentence.

A certificate signed by any two Directors of the Guarantor or by any one Director and a Secretary of the Guarantor to the effect that in their opinion a Subsidiary of the Issuer is or is not or was or was not at any particular time or throughout any specified period a Principal Subsidiary shall, in the absence of a manifest error, be conclusive and binding on all parties.

10. REPLACEMENT OF NOTES, COUPONS AND TALONS

Should any Note, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Coupons or Talons must be surrendered before replacements will be issued.

11. ENFORCEMENT

The Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer or the Guarantor (in the case of Guaranteed Notes) as it may think fit to enforce any obligation,
condition or provision binding on the Issuer or the Guarantor (in the case of Guaranteed Notes) under the Notes or Coupons or under the Trust Deed, but shall not be bound to do so unless:

(a) It has been so directed by an Extraordinary Resolution or in writing by the holders of at least one-quarter of the nominal amount of the Notes outstanding; and

(b) It has been indemnified and/or secured to its satisfaction.

No Noteholder or Couponholder shall be entitled to institute proceedings directly against the Issuer or the Guarantor (in the case of Guaranteed Notes) unless the Trustee, having become bound to proceed as aforesaid, fails to do so within a reasonable time and such failure is continuing.

12. INDEMNIFICATION OF TRUSTEE

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from any obligation to take proceedings to enforce repayment unless indemnified and/or secured to its satisfaction. The Trust Deed also contains provisions pursuant to which the Trustee is entitled inter alia, (i) to enter into business transactions with each Issuer, the Guarantor and/or any Subsidiary of the Guarantor and to act as trustee for the holders of any other securities issued or guaranteed by or relating to either Issuer, the Guarantor or any Subsidiary of the Guarantor, (ii) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Noteholders or Couponholders, and (iii) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

13. PAYING AGENTS

The names of the initial Paying Agents and their initial specified offices are set out below. If any additional Paying Agents are appointed in connection with any Series of Notes, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

The Issuer is entitled, with the prior written approval of the Trustee, to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

(a) there will at all times be a Paying Agent in a jurisdiction within continental Europe, other than the jurisdiction in which the Issuer was incorporated; and

(b) so long as the Notes are listed on any stock exchange or admitted to listing by another relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or such other relevant authority; and

(c) the Issuer undertakes that it will ensure that it maintains a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5(d). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days’ prior notice thereof shall have been given to the Noteholders in accordance with Condition 15.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and the Guarantor and, in certain limited circumstances, of the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Noteholders or Couponholders. The Agency Agreement contains
provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

14. **EXCHANGE OF TALONS**

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8.

15. **NOTICES**

All notices regarding the Notes will be deemed to be validly given if published in a leading English language daily newspaper of general circulation in London. It is expected that any such publication will be made in the Financial Times in London. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or admitted to trading by another relevant authority and the rules of that stock exchange or other relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by that stock exchange or any relevant authority. Any such notice shall be deemed to have been given to the holders of the Notes on the second day after the day on which the said notice was given to Euroclear and/or Clearstream, Luxembourg.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative definitive Note or definitive Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent, the Trustee and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

16. **MEETINGS OF NOTEHOLDERS, MODIFICATION, WAIVER AND SUBSTITUTION**

The Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including proposals to modify by Extraordinary Resolution (as such term is defined in the Trust Deed) these Terms and Conditions or the provisions of the Trust Deed. The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that, at any meeting the business of which includes the modification of certain material terms and conditions of the Notes and provisions of the Trust Deed (as set out therein), the necessary quorum for passing an Extraordinary Resolution will be one or more persons holding or representing not less than three-quarters, or at any adjourned such meeting not less than one-quarter, of the nominal amount of the Notes for the time being outstanding. A Resolution passed at any meeting of Noteholders will be binding on all Noteholders, whether or not they are present at the meeting, and on all Couponholders. An Extraordinary Resolution may also be effected in writing executed by or on behalf of the persons holding or representing not less than 90 per cent. of the nominal amount of the Notes for the time being outstanding. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes of other Series in certain circumstances where the Trustee so decides.
The Trustee may agree, without the consent of the Noteholders or Couponholders, to any modification (subject as provided above) of, or to any waiver or authorisation of any breach or proposed breach of any provision of the Notes or the Trust Deed or determine without any such consent as aforesaid, that any Event of Default or Potential Event of Default shall not be treated as such, where, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Noteholders or to any modification to correct a manifest or a formal, minor or technical error or an error which in the opinion of the Trustee is proven.

Any such modification, waiver, authorisation or determination shall be binding on the Noteholders and the Couponholders and, unless the Trustee agrees otherwise, any such modification shall be notified to the Noteholders as soon as practicable thereafter.

The Trustee may agree (in the case of Guaranteed Notes), without the consent of the Noteholders or Couponholders, to the substitution at any time or times of (i) the Guarantor or any Successor in Business (as defined in the Trust Deed) or Holding Company (as defined in the Trust Deed) of the Guarantor, or (ii) subject to the Notes and Coupons remaining unconditionally and irrevocably guaranteed by the Guarantor or a Successor in Business or Holding Company of the Guarantor, any other company which is controlled by such guarantor, as the principal debtor under the Trust Deed and the Notes or (iii) any Successor in Business or Holding Company of the Guarantor, as guarantor under the Trust Deed and the Notes. Such agreement shall also be subject to the relevant provisions of the Trust Deed, such amendments thereof and such other conditions as the Trustee may approve or require. In the case of any proposed substitution, the Trustee may agree, without the consent of the Noteholders or Couponholders, to a change of the law governing the Notes, the Coupons and/or the Trust Deed, provided that such change would not, in the opinion of the Trustee, be materially prejudicial to the interests of the Noteholders.

In connection with the exercise of its powers, trusts, authorities and discretions (including but not limited to those in relation to any proposed modification, waiver, authorisation, determination, substitution or change of law as aforesaid), the Trustee shall have regard to the general interests of the Noteholders as a class but shall not have regard to any interests arising from circumstances particular to individual Noteholders or Couponholders (whatever their number) and, in particular but without limitation shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory, and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer, the Guarantor (in the case of Guaranteed Notes), the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders except to the extent already provided in Condition 7 or any undertaking given in addition thereto or in substitution therefor pursuant to the Trust Deed.

17. **FURTHER ISSUES**

The Issuer shall be at liberty from time to time without the consent of the Noteholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

18. **CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999**

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes, but this does not affect any right or remedy of any person which exists or is available apart from that Act.
19. **GOVERNING LAW**

The Trust Deed, the Agency Agreement, the Notes and the Coupons are governed by, and shall be construed in accordance with, English law. Any matter, claim or dispute arising out of or in connection with the Trust Deed, the Agency Agreement, the Notes and the Coupons, whether contractual or non contractual, is governed by, and shall be construed in accordance with, English law.
USE OF PROCEEDS

Unless otherwise stated in the applicable Final Terms, the net proceeds from each issue of Notes will be used for the general purposes of the Group and such specific purposes as may be determined from time to time. If the net proceeds, in relation to a particular Tranche of Notes, will be used for anything other than making profit and/or hedging certain risks, this will be stated in the applicable Final Terms.

TAXATION

United Kingdom Taxation

The following is only a summary of the Issuers’ understanding of current United Kingdom tax law and HMRC published practice as at the date of this Prospectus relating to certain United Kingdom tax implications of investing in the Notes as they affect most investors (other than dealers in securities). It does not deal with situations where the Noteholder is not the beneficial owner of the Notes. The UK treatment of prospective Noteholders depends on their individual circumstances and may be subject to change in the future. Persons who are unsure of their tax positions are strongly advised to consult their own professional advisers.

1. Withholding tax

(a) Short-term Notes. Where interest is payable on Notes which have a maturity of less than 365 days (and which are not issued under arrangements intended to be capable of remaining outstanding for a total term of more than 364 days), the interest will not be “yearly interest” for the purposes of the Income Tax Act 2007 (“ITA 2007”) and accordingly payments of interest on such Notes may be made without withholding or deduction for or on account of United Kingdom income tax.

(b) Other Notes. Interest bearing Notes will constitute “Quoted Eurobonds” within the meaning of Section 987 of the ITA 2007 while the Notes are listed on a “recognised stock exchange” within the meaning of Section 1005 of the ITA 2007 (the London Stock Exchange is such a “recognised stock exchange”). Securities will be treated as listed on the London Stock Exchange if they are included in the Official List (within the meaning of and in accordance with the provisions of Part 6 of the FSMA) and admitted to trading on the London Stock Exchange. Payments of interest on such Notes as fall outside the scope of paragraph (a) above, but which are Quoted Eurobonds, may be made without withholding or deduction for or on account of United Kingdom income tax irrespective of whether the Notes are in global form or in definitive form.

In other cases an amount must generally be withheld on account of United Kingdom income tax at the basic rate (currently 20 per cent.) from payments of interest (that have a United Kingdom source) on such Notes as fall outside the scope of paragraph (a) above, subject (i) to any direction to the contrary from HMRC in respect of such relief as may be available pursuant to the provisions of an applicable double taxation treaty or (ii) to the interest being paid to the persons (including companies within the charge to United Kingdom corporation tax) and in the circumstances specified in Sections 933 to 937 of the ITA 2007.

2. Further United Kingdom income tax issues for interest on Notes

Interest on the Notes that constitutes United Kingdom source income for tax purposes may be subject to income tax by direct assessment even when paid without withholding subject to any direction to the contrary from HMRC in respect of such relief as may be available pursuant to the provisions of an applicable double taxation treaty.

However, interest with a United Kingdom source received without deduction or withholding on account of United Kingdom tax will not be chargeable to United Kingdom tax in the hands of a Noteholder (other than certain trustees) who is not resident for tax purposes in the United Kingdom unless that Noteholder carries on a trade, profession or vocation in the United Kingdom through a branch or agency in the United Kingdom in connection with which the interest is received or to which the Notes are attributable (and where the Noteholder is a company, unless that Noteholder carries on a trade in the United Kingdom through a permanent establishment in connection with which the interest is received or to which the Notes are attributable). There are exemptions for interest received by certain categories of agent (such as some brokers and investment managers).
Where interest has been paid under deduction of United Kingdom income tax, Noteholders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision under an applicable double taxation treaty.

3. **United Kingdom corporation tax payers**

In general Noteholders which are within the charge to United Kingdom corporation tax in respect of Notes will be charged to tax and obtain relief as income on all returns, profits or gains on, and fluctuations in value of, the Notes (whether attributable to currency fluctuations or otherwise) broadly in accordance with UK generally accepted accounting practice or IFRS accounting treatment.

4. **Other United Kingdom tax payers**

**Taxation of chargeable gains**

A disposal of Notes by an individual Noteholder who is resident in the United Kingdom or who carries on a trade, profession or vocation in the United Kingdom through a branch or agency to which the Notes are attributable, may give rise to a chargeable gain or allowable loss for the purposes of the United Kingdom taxation of chargeable gains, unless the Notes constitute “qualifying corporate bonds” within the meaning of Section 117 of the Taxation of Chargeable Gains Act 1992. There are provisions to prevent any particular gain (or loss) from being charged (or relieved) at the same time under these provisions and also under the provisions of the “accrued income scheme” described below.

**Accrued Income Scheme**

On a disposal of Notes by a Noteholder, any interest which has accrued since the last interest payment date may be chargeable to tax as income under the rules of the “accrued income scheme” as set out in Part 12 of the ITA 2007 if that Noteholder is resident in the United Kingdom or carries on a trade in the United Kingdom through a branch or agency to which the Notes are attributable.

**Taxation of discount**

If the Notes constitute “deeply discounted securities” for the purposes of Chapter 8 of Part 4 of the Income Tax (Trading and Other Income) Act 2005, individual Noteholders who are within the scope of United Kingdom income tax may be liable to United Kingdom income tax on any gain made on the sale or other disposal (including redemption) of the Notes but such Noteholder will not be able to claim relief from income tax in respect of costs incurred on the acquisition, transfer or redemption, or losses incurred on the transfer or redemption, of the Notes.

**The Proposed Financial Transactions Tax (“FTT”)**

The European Commission published on 14 February 2013, a proposal for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the “participating Member States”). However, Estonia has since stated that it will not participate.

The proposed FTT has very broad scope and could, if introduced in its published form, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

The FTT could, as published, apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, “established” in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.
However, the FTT proposal remains subject to negotiation between the participating Member States. The scope of any such tax and the timing of its implementation consequently remains unclear. Additional EU Member States may decide to participate. Prospective holders of Notes are advised to seek their own professional advice in relation to the FTT.
SUBSCRIPTION AND SALE

The Dealers have, in an amended and restated programme agreement dated 5th August, 2013 (the “Programme Agreement”), agreed with each Issuer and (in the case of Guaranteed Notes) the Guarantor a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “Form of the Notes” and “Terms and Conditions of the Notes”. In the Programme Agreement, the Issuers (failing which, the Guarantor) have agreed to reimburse the Dealers for certain of their expenses in connection with the establishment of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

United States

The Notes and the Guarantee have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended, and regulations promulgated thereunder. The applicable Final Terms will identify whether TEFRA C rules or TEFRA D rules apply or whether TEFRA is not applicable. Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons or persons within the U.S. or its possessions. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons or persons within the United States or its possessions. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Prospectus as completed by the relevant final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

(a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;

(b) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
(c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive, provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe to the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “Prospectus Directive” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in each Relevant Member State and the expression “2010 PD Amending Directive” means Directive 2010/73/EU.

**United Kingdom**

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

(i) in relation to any Notes having a maturity of less than one year, (a) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (b) it has not offered or sold and will not offer or sell any Notes other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Notes would otherwise constitute a contravention of Section 19 of the FSMA by the relevant Issuer;

(ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the relevant Issuer or the Guarantor (in the case of Guaranteed Notes); and

(iii) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

**General**

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in any jurisdiction in which it purchases, offers, sells or delivers Notes or possess or distributes this Prospectus and will obtain any consent, approval or permission required by it for the purchase, offer, sale or delivery by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, offers, sales or deliveries and neither the Issuers, the Guarantor (in the case of Guaranteed Notes) nor any of the other Dealers shall have any responsibility therefor.

None of the Issuers, the Guarantor (in the case of Guaranteed Notes) or the Dealers represents that Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to any exemption available thereunder, or assumes any responsibility for facilitating such sale.

Certain of the Dealers and their affiliates may have positions, deal or make markets in the Notes issued under the Programme, related derivatives and reference obligations, including (but not limited to) entering into hedging strategies on behalf of the Issuers and their affiliates, investor clients, or as principal in order to manage their exposure, their general market risk, or other trading activities.

In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuers or the Issuers’ affiliates. Certain of the Dealers or their affiliates that have a lending relationship with the Issuers routinely hedge their credit exposure to the Issuers consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. Any such positions could adversely affect future trading prices of Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.
