

United Nations Global Compact Communication on Progress 2015

GSK is a signatory to the UN Global Compact (UNGC). The Compact challenges business to operate according to ten principles covering bribery and corruption, human rights, labour and the environment.

The following Index is structured according to the 21 criterion for an Advanced Level Communication on Progress (COP) and is compiled from our 2015 Responsible Business Supplement, 2015 Annual Report and the gsk.com website.

Statement of support from the CEO

"GSK became a signatory to the United Nations Global Compact in 2007 and remains committed to upholding the Ten Principles on human and labour rights, the environment and anti-corruption. This is reflected in our strategy, policies and standards ensuring we continue to deliver long term commercial success, whilst simultaneously responding to the evolving expectations of society."

Sir Andrew Witty, Chief Executive Officer, GSK, June 2016
