

Israel patient group funding 2019

Living with HIV Israel

The organization "Living with HIV - Israel", a registered association of people living with HIV for people living with HIV, aims to represent those living with HIV in Israel, to ensure their status, rights and well-being, and to create a positive supportive community.

We have supported this group since 2019.

During 2019:

GSK provided a core funding of £ 5,357, for an annual project to give social and emotional support to people living with HIV.

Our support represented ~5% of their overall income.

Israel AIDS Task Force

The Israeli Aids Task Force is responsible for the education and prevention of AIDS and for the protection and support of people living with AIDS in Israel.

We have supported this group since 2001.

During 2019:

GSK provided a core funding and donation of £ 19,465, for:

- 3 months' workshop for HIV+ people
- Annual conference for the positive community (people living with HIV) (1 day during July)
- Annual Magazine for the positive community (people living with HIV)
- State of the ART 2019 Exhibition at World AIDS Day event and roaming exhibition
- Donation

Our support represented ~5% of their overall income

The Society for Patients Rights in Israel

This organization helps patients and their families claim their healthcare rights and obtain necessary services from the health plans, hospitals and other medical facilities.

We have supported this group since 2011.

During 2019:

GSK provided a core funding of £ 1,785 for yearly support and annual conference.

Our support represented ~1% of their overall income.

Inbar - Israeli Arthritis foundation

This foundation supports Rheumatologists and patients, providing them with information and raise awareness in the community.

We have supported this group since 2000.

During 2019:

GSK provided a core funding of £ 6,250, for the purpose of increasing and accessibility of knowledge among patients.

Our support represented ~5% of their overall income.
