## World Ovarian Cancer Coalition (WOCC)

The World Ovarian Cancer Coalition is a not-for-profit organization, formally established in 2016, working across the globe towards a world where every woman with ovarian cancer has the best chance of survival, and the best quality of life – wherever she may live.

We have supported this organisation since 2020.

**During 2020**, GSK provided:

- \$55,000 for world ovarian cancer day
- \$30,000 for global ovarian cancer charter dissemination
- \$10,000 for partner network development survey

Our support represented 24.18% of their overall income.
