

UK Patient Organisation Funding

LUPUS UK

During 2020 GSK provided funding of:

- £20,000 to support the costs of developing a series of virtual patient education events throughout the rest of 2020 to offer lupus patients an opportunity to gain important insights into their disease and how their healthcare is being affected by the pandemic.
- £5,000 to support with the printing costs of the book: Lupus - Diagnosis & Treatment (2020 Edition).

Our support represented 3.79% of their overall income in 2020.
