Amigos Potosinos en Lucha contra el SIDA AC

Is a Civil Society Organization oriented to social welfare in the area of health, gender and human rights.

Main objectives:

- 1.- Education for the prevention, early detection and timely attention of HIV and other sexually transmitted infections.
- 2.- Comprehensive education in sexualities with a gender perspective and human rights.
- 3.- Education, promotion and defence of the human rights of people with HIV
- 4.- Strategies of defence and political advocacy for the rights of the LGBTI population (equals marriage, change of identity regarding the gender, education and fight against homophobia, lesbophobia and transphobia)
5. Political advocacy activities through two citizen initiatives that are currently in the State Congress on the adaptation to the criminal code on hate crimes that includes injuries, homicides, and damage to property, as well as adapting the crime of discrimination in the field of health, promoting the inclusion of LGBTTTI populations within the vulnerable populations contemplated by the health law of the state of San Luis Potosí

We have supported this group since 2017.

During 2020*:

- GSK provided £10,000 to:
 1. Inform and educate people living with HIV about the correct way to report adverse events associated with antiretrovirals to our local MoH.
 2. Conduct activities focused on early HIV and syphilis detection
 3. Promote care and provide timely treatment

Our support represented 20% of their overall income.
