

Pan European Patient Organisation Funding

European Patients' Forum (EPF)

The vision of EPF is to ensure that the European patient voice is at the centre of healthcare. EPF works as a catalyst for advocating a strong European patient voice, enabling patient groups to join forces and develop alliances. They work with like-minded stakeholders and with the EU institutions.

We have supported this organisation since 2005.

During 2020:

GSK provided

- A grant of €30,000 to support a capability building programme to strengthen the capability of both national and European level Patient Organisations.
- €30,000 to support the EUPATI programme.
- A sponsorship of €30,000 core partnership fee.

Our support represents 4.1% of their overall gross income.

During 2019:

GSK provided

- A grant of €30,000 to support a capability building programme to strengthen the capability of both national and European level Patient Organisations.
- €30,000 to support the EUPATI programme.
- A sponsorship of €30,000 core partnership fee.
- €1200 to support a representative from the group in attending two of GSK's European Health Advisory Board meetings. We also provided travel and accommodation for these meetings.

Our support represents 3.49% of their overall gross income.

During 2018:

GSK provided

- An unrestricted grant of €30,000 to help support EPF's day to day activities.
- An unrestricted top-up grant of €40,000 to help support EPF's day to day activities.

- A grant of €30,000 to support a capability building programme to strengthen the capability of both national and European level patient organisations.
- €30,000 to support the EUPATI programme
- €600 to support a representative from the group to attend GSK's European Health Advisory Board meeting in 2018. We also provided travel and accommodation for this meeting.

Our support represents 6.5% of their overall gross income.
