

Lupus Europe Patient Organisation Funding

Lupus Europe (LE)

LE is the umbrella organisation for lupus self-help organisations in Europe. It federates 28 members from 26 countries, representing a total of ca 32,000 people living with lupus. Its vision of “a fulfilling life for all people with lupus in Europe until we reach a world without lupus” is worked through multiple projects with the following key strategic objectives:

1. People with lupus participate in, and benefit from, lupus research
2. Member organisations are enthusiastic and empowered
3. Be heard and acting

These objectives are detailed on Lupus Europe’s YouTube channel (<https://youtu.be/-O3ASPPkIB4>)

We have supported this organisation since 2010.

During 2021:

- We provided €35,000 core funding as sponsorship.
- We paid honoraria of €720 for attending two ad board meetings

Our support represents 10.3% of their income

During 2020:

- We provided €35,000 core funding as sponsorship. In return, GSK attended the organisation’s virtual convention and patient advisory network (PAN)-industry workshop

Our support represents 14.8% of their total income.

During 2019:

- We provided €35,000 core funding as sponsorship. In return, GSK attended the organisation’s convention and industry workshop, and had access to their patient advisory panel.

Our support represents 18.7% of their total income.
