DISCLOSURE COMMITTEE (THE “COMMITTEE”)

TERMS OF REFERENCE

(as revised with effect from 29 June 2017)

The Committee Terms of Reference have been approved and adopted by the Board of Directors of GlaxoSmithKline plc (the Company).

1. **Role – Company’s Listing and Regulatory Obligations**

The Company is required to disclose, accurately and on a timely basis, all information that is required to be so disclosed to meet the legal and regulatory obligations and requirements arising from:

- its listings on the London and New York Stock Exchanges;
- the local securities law obligations and requirements in connection with the Company’s share option schemes (e.g. securities filings with the Kanto in Japan); and
- the disclosure requirements of the UK Companies Act 2006, as well as other legislative requirements, tax disclosures and applicable accounting standards.

The requirements arise from both the Company’s equity listings and the debt listings of various subsidiaries, including GlaxoSmithKline Capital plc (GSK Capital) which has debt listed on the London Stock Exchange and the New York Stock Exchange.

The Committee’s role is discharging the Company’s obligations as set out in paragraphs 3, 6 and 11 below. Under MAR, the Company and GSK Capital are also required to maintain insider lists, being lists of those of its personnel and advisers with access to inside information concerning either GSK Company. The Company maintains insider lists on behalf of GSK Capital.
