

# Pan European patient group funding

## **Agora**

Agora is an umbrella platform representing patient organizations of people with Rheumatic and Musculoskeletal Diseases (RMDs) in Southern Europe. Since its inauguration in 2011, Agora has been very active in raising awareness on RMDs aiming at creating a better quality of life not only for its member organisations, but also all people with RMDs in Southern Europe.

We have supported this group since 2019.

### **During 2019:**

GSK provided a sponsorship of €5000, to support the 8<sup>th</sup> Agora Annual Conference.

Benefits to GSK included:

- Two employees to attend the organisation's 8<sup>th</sup> Agora Conference
- Oral thank you reference during Chair's speech
- Logo on master presentation
- After conference report published electronically and hard copies

Our support represented less than 25% of their overall income
