Other Executives may be invited to attend the Committee as necessary.

Committee Secretary

8. The Company Secretary shall be the Committee Secretary and shall be responsible for minuting the proceedings of all meetings of the Committee.

Frequency of Meetings

9. The Committee shall meet four times a year or more frequently if necessary to consider specific issues.
Shareholder engagement

10. The Committee Chair shall attend the Company’s Annual General Meeting and be prepared to respond to shareholder questions on the Committee’s activities.

11. The Committee Chair shall seek engagement with shareholders on significant matters related to the Committee’s areas of responsibility.

Authority

12. The Committee Chair is authorised by the Board to investigate any activity within its Terms of Reference and in doing so to seek any information it requires from any employee or co-worker.

13. The Committee is authorised to obtain, at the Company’s expense, outside legal or other professional advice on any matters within its Terms of Reference.

Duties

14. During their tenure, each of the Committee members shall consider their duties and responsibilities under section 172 of the Companies Act 2006 in performing their role, and in doing so the Committee shall have oversight of the views and interests of internal and external stakeholders. The duties of the Committee shall be:

   (a) to review GSK’s policies and practices in anticipating and managing external issues that have the potential to seriously impact upon the Company’s business and reputation. This will include consideration and oversight of GSK’s Trust priority and progress reports on GSK’s associated Trust commitments which reflect the most important issues for responsible and sustainable business growth. The Company’s Trust commitments include:

      (i) Using science and technology to address global health needs: Delivering a next generation of medicines and vaccines to address some of the biggest health challenges affecting children and young people in the developing world. Working with partners to address health security issues such as AMR and pandemic response.

      (ii) Making products, affordable and available: Ensuring GSK’s approach to pricing is responsible and sustainable for the long-term growth of the business and enables underserved people in developing countries to access GSK’s products. Working with partners to improve disease prevention, awareness and access to healthcare services.

      (iii) Being a modern employer: Being a high performing company that can recruit and retain the most talented people and create an inclusive and diverse workplace that allows them to be at their very best.

      (iv) Responsible business: Delivering a reliable supply of quality products, protecting our values- driven culture, being responsible and transparent in how we use data, improving our patient and scientific engagement, and reducing our environmental impact in line with the Company’s environmental sustainability goals in both climate and nature. Reviewing and recommending to the Board the Company’s:

         • Modern Slavery Statement to be published on GSK’s website under the provisions of the Modern Slavery Act 2015; and
         • Gender Pay Gap reporting.
Reporting to the Committee will cover the reputational risks associated with each commitment, progress on commitments, goals and targets set out in GSK’s annual reporting and how these will be pursued going forward.

(b) Oversight of Enterprise Risks determined by the Board to be most relevant to the Committee’s area of expertise and responsibility. These are:

- Product Quality;
- Non-Promotional Engagement;
- Supply Continuity;
- Environmental Sustainability; and
- Environmental Health & Safety,

And in this regard, the Committee will receive relevant materials and advice in relation to these risks including highlights from relevant Audit & Assurance and Compliance outcomes, as appropriate.

(c) To have oversight and approve GSK’s Trust reporting.

(d) To consider other relevant matters, as requested by the Board.

15. The Committee shall decide which issues come within its discretion to review. The outcome of such reviews will be presented to the Board either directly or via the Risk & Oversight Compliance Council and the Audit & Risk Committee if significant risks (including reputational risks) to the Company’s business are identified.

Performance Appraisal & Review

16. The Committee shall review at least annually its own performance, constitution and Terms of Reference to ensure it is operating at maximum effectiveness and recommend any changes it considers necessary to the Board for approval.

Corporate Governance & Regulatory Developments

17. The Committee shall monitor the progress of any relevant corporate governance, legal or regulatory developments that may impact the Committee and recommend any action or changes it considers necessary to the Board for approval.

Reporting Procedures

18. The Secretary shall circulate the minutes of meetings of the Committee to all members of the Board.

19. The Committee Chair shall ensure the Board is informed of Committee activity and engage with the Board as appropriate on key decisions.

Publication of Terms of Reference

20. These Terms of Reference shall be made available on the Company’s website.
